

BE 
RICH

Hey Parents,

We know you want to inspire your kids to follow Jesus, and we'd like to help by engaging them in generosity. Below you will see a list of supplies to help our friends at our partner school, KIPP Woodson Park Academy. Can your kids help us show the students at KWPA we are FOR them by ensuring they have school supplies this year?

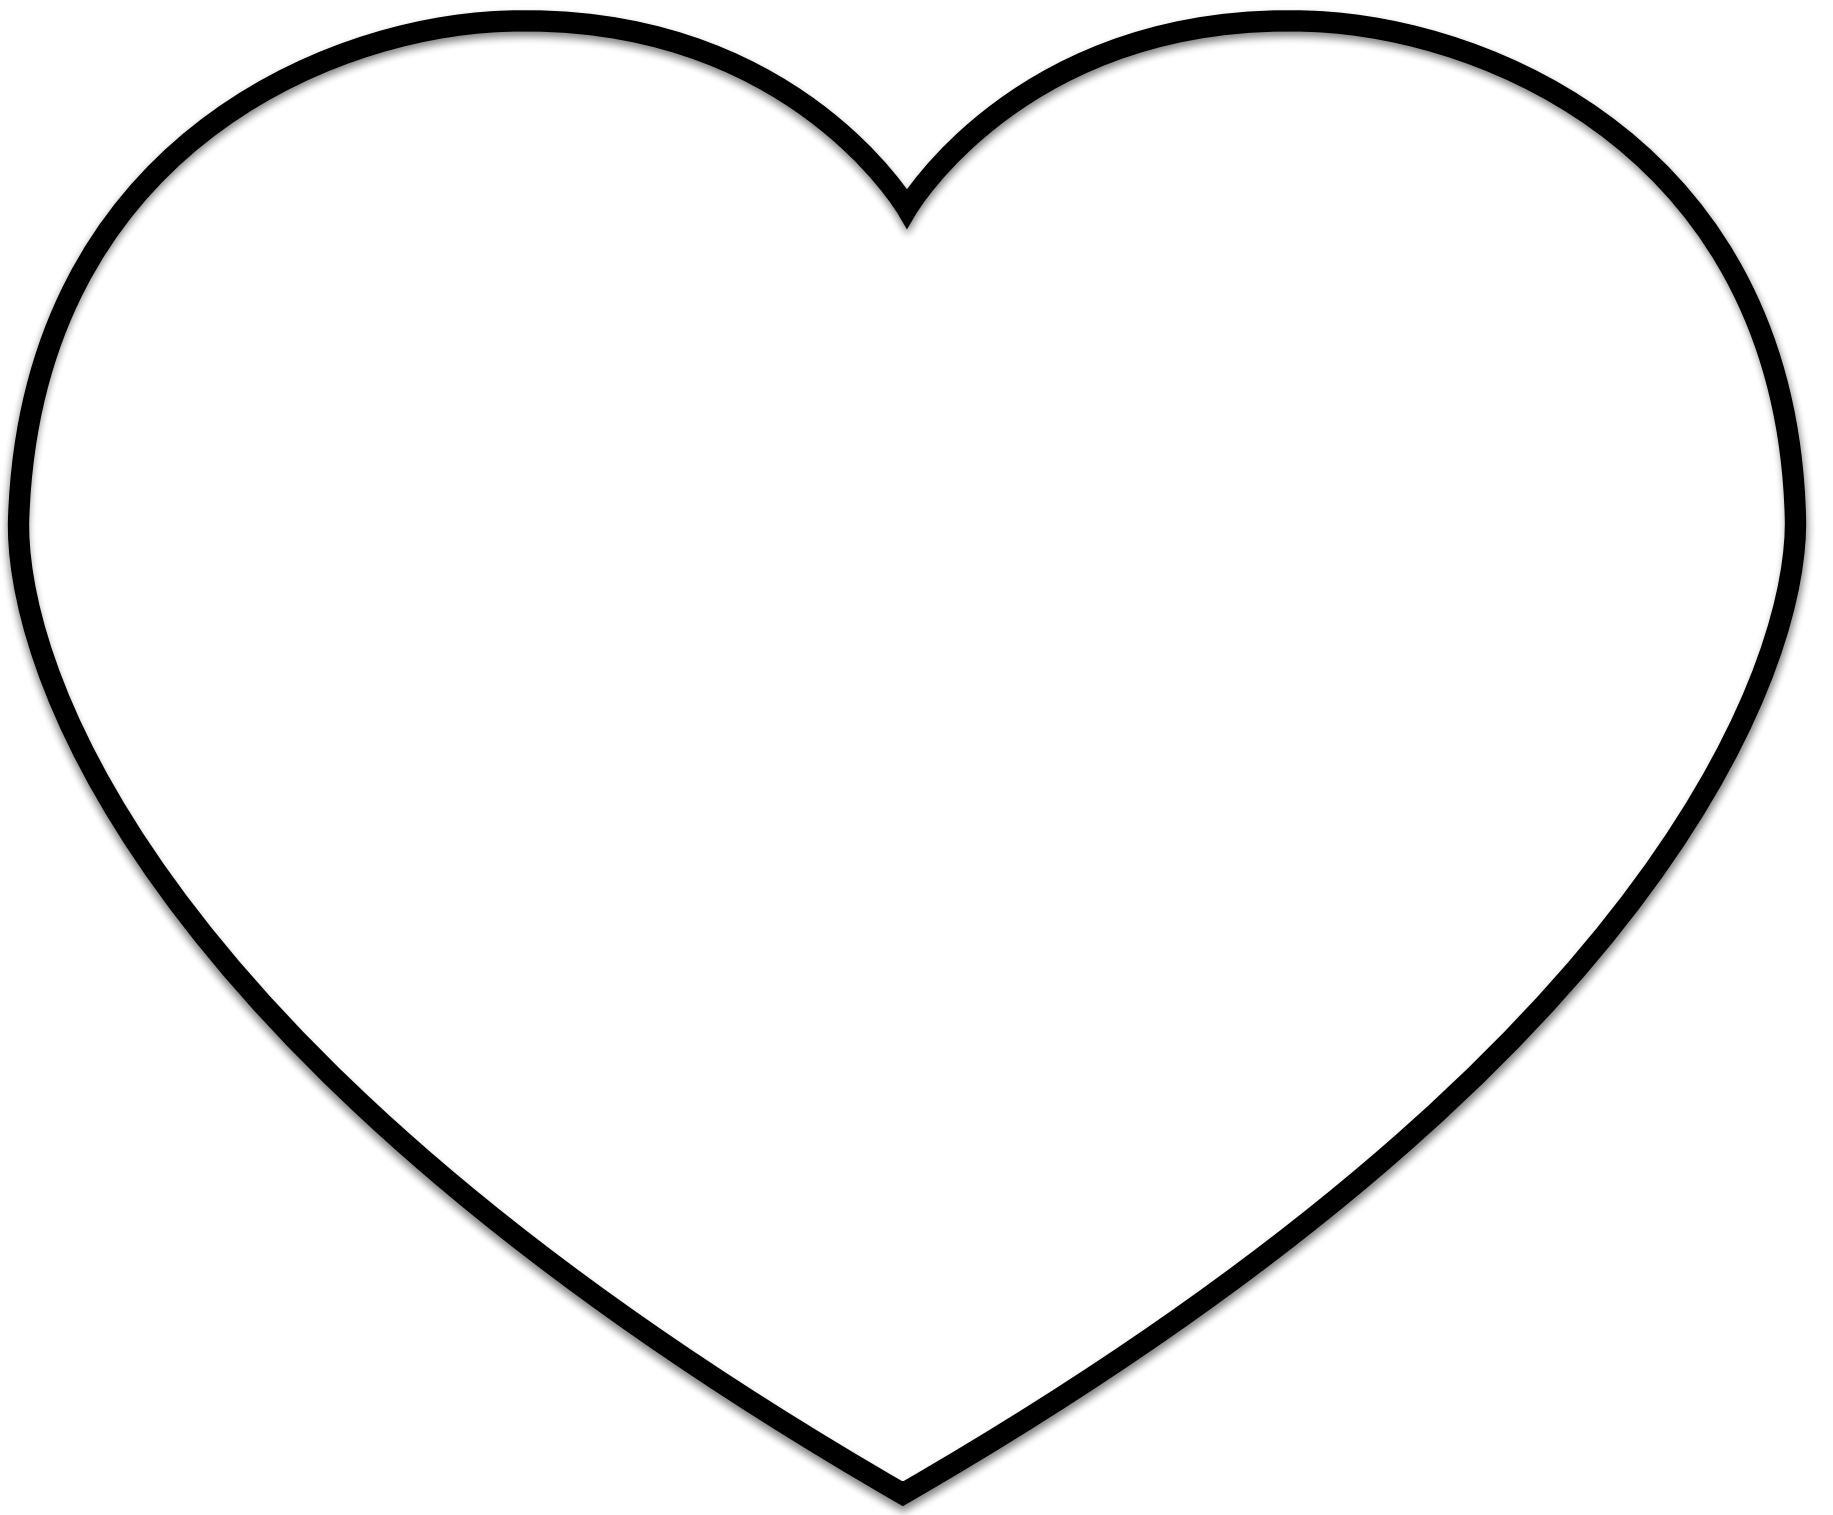

HOW TO HELP:

- o Help your child think about how they can be generous with their allowance or raise some money around the neighborhood.
- o Head to the store with them and choose any supplies from this list.

- Pencils
- Glue sticks
- Composition notebooks
- Colored pencils
- Spiral notebooks
- Pencil sharpeners
- Box of crayons
- Dry-erase boards
- Scissors
- Dry-erase markers

- o At home, complete the coloring page provided in this envelope and bring it with your supplies.
- o Drop off the supplies and the coloring page at Buckhead Church on Sunday, September 20, between 12:30 p.m. and 3:00 p.m.

We can't wait to see you then!

**Love your
neighbor as
yourself.**
